

Funding for this financial assistance program is provided by individual donors, Organization/Corporate Donors and the City of Fremont Parks & Recreation Department

- There are three (3) types of scholarships available, each receiving limited funding from different sources. Scholarships are awarded on a first come, first served basis, as funding becomes available. Any difference between scholarship funding and total cost must be paid at the time of registration.
- Only one "customer-requested" transfer is allowed per calendar year. Once total funding is exhausted for the year, scholarships will not be granted again until the beginning of the next fiscal year, **July 1**.
- Applicants must be <u>residents of the City of Fremont</u> and may only apply for scholarships under one name, under a single household address.
- Please allow at least one week for approval prior to the start of the requested class.
- Applicants may apply for each of the three scholarships listed below within a *calendar year* (Jan. 1 through Dec. 31) beginning with the dates specified. The three scholarship types are as follows:
 - 1. **GENERAL SCHOLARSHIP**: Beginning **January 1**, applicants may apply for one or more recreation classes not to exceed a maximum of \$75.00 per year. *General Scholarship funds may not be applied toward the Summer PlayCamp Program*.
 - 2. **ART SCHOLARSHIP**: Beginning **January 1**, applicants, ages 0-17, may apply for one (1) class, not to exceed a maximum of \$75.00 per year for visual art classes (e.g. drawing, painting ceramics etc). Funds must be used *prior* to the use of General Scholarship funds.
 - 3. **WATERPARK SCHOLARSHIP**: Beginning **April 1**, applicants may apply for up to four (4) individual one-day tickets per **qualifying household** (currently valued at \$15 each).

If desired, scholarship recipients may take their ticket to the Waterpark Sales Office during regular operating hours, and pay the difference in order to purchase a **season pass**. Tickets are not transferable and may not be combined toward the purchase of a season pass. Other scholarship funds may not be used toward the purchase of Waterpark tickets/passes.
